A MESSAGE OF GRATITUDE

to Our George Derby Centre Team

We are incredibly proud to share that George Derby Centre has received outstanding feedback from Accreditation Canada following our recent accreditation review. This is a true reflection of the hard work, dedication, and compassion that each and every one of you brings to your role every single day.

We also received wonderful feedback from the families we serve, who noticed and appreciated the exceptional level of care and professionalism displayed throughout this process. None of this would have been possible without your commitment to going above and beyond, not just during the accreditation period, but every day you show up for our residents.

Please take a moment to recognize yourselves and each other for this incredible achievement. You should all be very proud.

Together We Can, Because We Care.

The Beauty of May

May

May arrives like a deep breath of fresh air, with longer days, warmer sunshine, and the gentle hum of the world coming back to life after a long Canadian winter. Flowers are beginning to bloom, birds are returning with their cheerful morning songs, and the outdoors is finally inviting us to step outside and soak it all in. There is something quietly joyful about this time of year, a sense that nature itself is celebrating, and it is hard not to feel that joy right along with it.

May is also a month rich with meaning here in Canada. We celebrate our mothers and the countless ways they have shaped our lives and the lives of those around us. We honour our fallen heroes on Victoria Day, a reminder of the history and traditions that have woven this country together. And we take a moment to appreciate the simple gifts of the season, a warm afternoon, the familiar scent of lilacs on the breeze, the sound of laughter drifting through an open window. May reminds us that beauty is all around us, if we take the time to notice.

HONOURING THE HEARTS OF OUR HOME

This Mother's Day, we take a moment to celebrate the remarkable women who have shaped our families, our communities, and our hearts. Whether you are a mother, a grandmother, a great-grandmother, or someone who has offered love and guidance in ways that go beyond a title, your influence is felt deeply by those around you. The care you have given, the lessons you have shared, and the memories you have created are gifts that last a lifetime. On this special Sunday, May 10th, we honour you with gratitude and love.
