SUMMER PARTY WITH POLYNESIAN DANCERS

Dear Residents, Families, and Loved Ones,

I hope you are all enjoying a wonderful summer. It has been a pleasure to see so many families and friends visiting George Derby Centre and creating meaningful moments with their loved ones. These visits are an important part of our community, and we always enjoy seeing our residents surrounded by the people who matter most to them.

This summer has already brought many memorable experiences. It was wonderful to see residents, families, and visitors come together to enjoy the FIFA World Cup on the big screen in our Town Hall. The excitement, laughter, and shared sense of community made it a truly special event. We look forward to offering many more summer activities and opportunities for everyone to connect and celebrate together.

I am also pleased to share that the recent nurses' strike has concluded. I would like to sincerely thank our residents, families, and staff for their patience, understanding, and support throughout this challenging period. Most importantly, I want to recognize the extraordinary commitment of our nursing team. Their professionalism, compassion, and unwavering dedication ensured that our residents continued to receive exceptional care every day.

I would also like to extend my heartfelt appreciation to our Leadership Care Team - Ronda, Nhorimay, Patricia, Inez, Anna, and Savita - for the many additional hours they devoted to supporting our residents and staff. Their leadership and commitment exemplify the values that define George Derby Centre.

As we continue through the warmer months, the health and comfort of our residents remain a top priority. George Derby Centre has a comprehensive Heat Response Plan, approved by Fraser Health's Licensing Department, which we activate whenever conditions require. We will continue to keep residents and families informed of heat advisories and the measures we are taking to ensure everyone's safety.

If you are taking your loved one outdoors during periods of warm weather, we encourage you to help them stay comfortable by wearing a hat, remaining in shaded areas whenever possible, and drinking plenty of fluids.

For the safety and security of everyone at George Derby Centre, there are times when we must change the security code used to enter the home. We have recently updated the code. If you do not know the new entry code, please see Reception, and they will be happy to provide it to you.

Please know that our leadership team is always available to listen, answer your questions, and support you. We value your partnership and thank you for the trust you place in us every day.

Wishing you and your families a safe, healthy, and enjoyable remainder of the summer.

Thank you for being part of our family.

SPLENDOUR SINE OCCASU

"Splendour without diminishment." That's British Columbia's motto, and it's baked right into the province's flag. Every piece was chosen on purpose: the Union Jack, the crown, the wavy lines, and the setting sun each carry their own piece of the story — BC's history, its place on the map, and the promise behind that motto.

Your challenge: match each flag element to the detail it represents.

How to play Sudoku puzzles?

The goal of Sudoku is to fill the cells with numbers from 1 to 9. The numbers are placed in 9 squares, 3x3 each; thus, in each row, in each column and in each small square there are 9 cells. The same digit can be used only once in each separate column, each line and in each small square.
